

CORDILLERA

de los Andes®

Chardonnay 2021

LIMARÍ VALLEY

TYPE OF WINE: White wine

D.O.: Limarí Valley

VARIETIES: 100% Chardonnay

HARVEST DATE: February 24 to March 11

NUMBER OF BOTTLES PRODUCED: 26.400

TASTING NOTES

The nose displays great aromatic complexity, revealing floral notes, peach and lychee. Fresh on the palate, with juicy acidity, and a briny streak that is the hallmark of Limarí's calcareous soils.

SERVING SUGGESTION

Sublime with caviar. An ideal for partner for trout and smoked salmon, fresh seafood and all fish dishes, whether baked or in sauce.

TECHNICAL DATA

Alcohol content: 13,5% ABV

pH: 3,24

Total acidity: 6,82 g/L (expressed in tartaric acid)

Residual sugar: 1,4 g/L

Allergy advice: Contains sulfites.

Properly stored, the wine will hold its potential for the next: 5 to 6 years

FORMATS AVAILABLE: 75 cl

VINIFICATION

Pressing: Entire bunch

Type of fermentation: 50% alcoholic fermentation in stainless steel tanks, 50% French oak barrels.

Length of fermentation: 18 days

Fermentation temperature: 17°C

Aging: 100% in French oak barrels for 10 months, of which 77% is second and more uses, and 23% new barrels.

AWARDS AND SCORES

2018 Vintage: 93 points Descorchados

92 points Mesa de Cata la Cav

93 points Tim Atkin

CORDILLERA

de las Andes®

Chardonnay 2021

LIMARÍ VALLEY

2021 VINTAGE

The 2021 vintage is considered cold, achieving slow maturity with good acidity and moderate alcohol.

Accumulated rainfall

2020-2021 season (Vintage 2021): 79.9 mm

Average minimum temperatures

2020-2021 season (Vintage 2021): 8.2 °C

Quality:

A great vintage and a very good quality Chardonnay from Limarí, standing out for having great acidity, saline and very elegant.

HISTORY

Our search for enclaves where we could produce exceptional wines led us to the Limarí Valley, where Chardonnay takes on a very distinctive expression. The area's cool climate and calcareous soils had the potential of producing Chile's finest Chardonnays. For this reason, we have made our Cordillera Chardonnay from grapes grown in the Limarí Valley since 2009.

VINEYARDS

The vineyard lies in the Tabalí area of Ovalle county in Limarí Valley, specifically Limarí Costa Valley according to the newly zoned winemaking areas. Here, as in Elqui, the climate is the predominant wine-quality factor: the cold temperatures of the maritime climate make for cool conditions that produce high-quality Chardonnay.

TALINAY VINEYARD

Location: Talinay sector, Limarí Costa Valley.

Coordinates: 30 ° 40'21 " S

71 ° 34'38 " O

Elevation: 144 meters above sea level

Distance from the coast: 12 Kilometers

Surface: 2.5 ha

Planting date: 2006

Plantation frame: 1 m. x 1.8 m., giving 5,555 plants per hectare.

Driving system: Trellis

Production: 2 kilos per plant

Soil: The soil consists of differently sized gravel, clay, and sand bound in a matrix of clay loam with high calcium carbonate levels. In addition, specific sections display veins of calcareous soil.

Climate Conditions: Based on bioclimatic indicators, the area where the vineyard is located can be described as extremely arid, with a temperate/warm climate and very cold nights. In the mornings, the area is covered in a sea fog known as camanchaca, which keeps the early part of the day cloudy and cool.

The snow that accumulates in the Andes Mountains during the winter is more important in terms of replenishing this area's water reserves than annual rainfall.
